Re: Budgeted Positions

Dear Chief Grimes:

I am requesting a seniority list of all the Campus Police Officers and the Police Officers. We need to match the seniority list to those that are actually on our rolls. Additionally, it is my understanding that two (2) people were recently hired into the position of police officer. We definitely have to know who they are as we are their representatives.

Lastly, I am requesting to know the budgeted positions for each of the categories of officers. Please contact me at the number listed above with the requested information. If that information comes from a different source, please point me in the right direction.

Thank you in advance for your cooperation.

Sincerely,

OF MICHIGAN
